CHECK HOW TO GAIN THE MONEY TO PAY FOR CATCH THE FLAVA CAMP

HOUSE OF CULTURE

BENEFITS FOR THEM

There is a lot of opportunities to apply for special program dedicated to young artists who want to develop their carrier. Especially if you're a member of a Youth Centre ask them to help you and cover the costs of the best breaking camp in the world.

CITY HALL

BENEFITS FOR THEM

Take a look at special programs to support talented artists in your town. We, Polskee Flavour Crew - used those kinds of support many times while we were traveling to the USA. We're sure you can do the same and come to visit us this summer.

DANCING SCHOOL

BENEFITS FOR THEM

If you're an instructor in one of the dance schools in your town - talk to your boss / owner, that you want to gain new experiences and skills. Everything you will learn at the camp you can use later to teach local kids during the next season.

COUNTRY GRANTS

BENEFITS FOR THEM

Similar situation like in the
City Hall case - look for
special artist programs and
why wouldn't you benefit
from it? In previous years,
different students visited us
using those kinds of country
supports and didn't spend
their own money.

BRANDS

BENEFITS FOR THEM

You can talk to various businesses and ask them to support you. Using your social medias, offering creative campaigns etc. you can promote different brands who decided to cover the costs of your trip to Catch The Flava.
